Standards Update

9:35 Countywide focus: Access for Students with Disabilities  
Barger & Fauver
Data review and dialogue around the joint effort among SBCEO C&I, Special Education, the SELPA, and districts to understand and analyze how our current beliefs and practices support and hinder access to our instructional programs for SWD. Discussion around our free county-wide Inclusion Inquiry Network starting in October, funded through a DA grant.

Break

10:15 Computer Science Standards  
Aranguren & Zuchowicz
The Computer Science Standards mark an entirely new core subject that ALL students in CA must study and learn. Lauren and Matt will review the basics of the CS standards and provide tools, processes, support and opportunities for planning your LEAs CS implementation for ALL.
