**8:40 Welcome**

**8:45 Community Outreach: Hands Only CPR from AMR**  
**Shane Fabie and Philippe de L'Arbre** from American Medical Response (AMR). AMR has been offering free training in [hands only CPR](#) for students and parents in our county schools as part of their community outreach to reduce the death rate from sudden cardiac arrest. EMTs and Paramedics will come directly to your school sites and provide everything needed for this training. Shane and Philippe will share the “why”, the “what”, successful models and the positive impact this has had on students and on the community.

**9:05 LCFF Rubrics Update and Local Performance Indicators**  
We will share updates on the SBE action around the rubrics and explain the use of Local Performance Indicators, how to meet the standards, and engage in dialogue about how the local and state indicators together can inform your LCAP plan.

**Break**

**10:05 LCAP Template**  
In this overview of the new three-year LCAP template, we will discuss the impact of a three-year static vs. rolling plan. Additionally we will demonstrate and review the new section, the new order of sections, changes to the orientation or inputs within the sections and new features and changes within the sections.

**11:00 SBCEO Portal: New Feature** **Matt Zuchowicz**  
New federated search feature significantly improves teachers' ability to leverage the vast number of portal resources around a given topic.
