

CELDT

Scoring Training of Trainers Workshop *STOT*

The purpose of the *STOT* workshops is to *train participants to train other qualified persons to*

- Administer the CELDT 2017-18 edition with reliability & validity
- Score the writing and speaking items
- Compile the results for local placement decisions

The workshop provides:

- An overview of the CELDT test materials for the 2017-18 edition
- Online calibration and scoring practice tools

Dates: *Must attend both days*
Tues, May 9, 2017
Tues, May 23, 2017 - Calibration

Location: SBCEO Auditorium

Time: 8:30 a.m. - 3:30 p.m.

Cost: \$285 per participant for both days (includes breakfast, lunch and training manual)

Day 2 CELDT *STOT* Calibration Session

This session complements the CELDT *STOT* training by offering calibration support. Participants will engage in customized scoring practice using the language and speaking components of the CELDT test.

MAY 23, 2017
