

Dual Language 101

Imagining and Creating Effective Language Programs for All Students

Is your district/school considering the development and implementation of a dual language program? Join us for a full day of exploration and discussion on dual language program models and resources. During this workshop, participants will learn and leave with:

- Information for initial program development and implementation
- Sample of program-related documents including template for completing a program Master Plan
- Summary of current research and statistics on nationwide programs

Target Audience:

Dual Language Teachers, Administrators, and Dual Language Task Force members

Date:

Wed, Sep. 14, 2016

Location:

SBCEO Multimedia Training Center

Time:

8:30 a.m. - 11.30 a.m.

Cost:

\$50 per participant (includes breakfast and materials)
