

# Professional Development

for

# TK and K Teachers

March 14

## MATHEMATICS

Number Sense, Math Reasoning, Algebra, Geometry and Measurement

March 21

## SCIENCE

Scientific Inquiry and Physical Science

Each registered participant will receive materials and resources for TK lessons. Certificate of completion will be awarded for each module.

SANTA BARBARA  
County Education Office  
William J. Crone, Superintendent

## 3 Transitional Kindergarten Modules

Each module provides an overview of the Alignment of the California Preschool Learning Foundations with the California Kindergarten Standards.

Modules include strategies and resources to support English Language Learners, children with disabilities, assessment approaches, and resources. Embedded within each module are developmentally appropriate practices.

March 28

## PHYSICAL DEVELOPMENT

Fundamental Movement, Active Physical Play.
