

Dual Language

IMMERSION PROGRAM

Sessions for Prospective and Existing Programs

with **Dr. Carlos Pagán**

Prospective Programs

DUAL LANGUAGE 101

If your district/school is considering the development and implementation of a dual program, join us as we explore and discuss dual language program models and resources. During the workshop, participants will:

- Discuss program development and implementation requirements
- Conduct a review of Master Plan chapters
- Share current research and best practices.

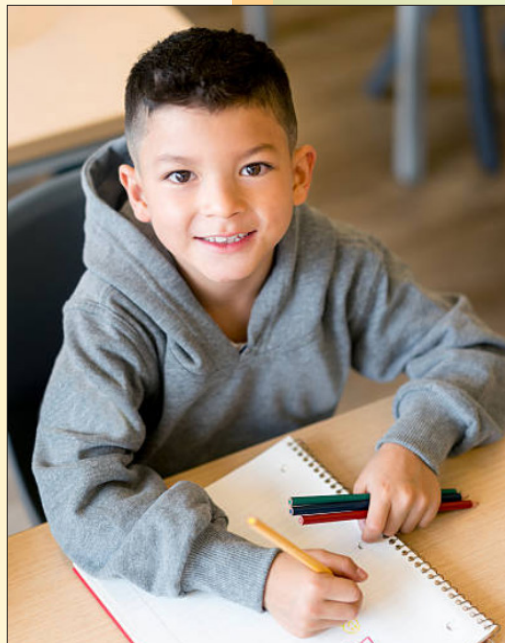

Audience: Teachers, Administrators, Dual Language Task Force members interested in implementing a dual language program in their district/school

Date: Tues, March 6, 2018

Location: SBCEO Multimedia Training Center

Time: 8:30 a.m. - 11:30 a.m.

Cost: \$75 (continental breakfast and materials included)

Existing Programs

DUAL LANGUAGE 201

During the workshop, participants will engage in collaborative discussions around second language learning. The following topics addressing Spanish and English instruction and assessment in dual language programs will be covered:

- Assess language and academic skills in two languages
- Monitor progress towards reclassification
- Group students for designated ELD instruction
- Network with existing programs

Audience: Teachers, Administrators, Dual Language Task Force members interested in strengthening the dual language program in their district/school

Date: Tues, March 6, 2018

Location: SBCEO Multimedia Training Center

Time: 12:30 p.m. - 3:30 p.m.

Cost: \$75 (light snacks and materials included)
