

KIMBERLI BREEN, MS, CAS, MA is a Regional Facilitator Director with the University of Kansas SWIFT Education Center. She supports school, district, county and regional teams as part of the California Scaling-Up MTSS Statewide initiative.

PBIS

Positive Behavioral Intervention and Supports

- Key Foundational Systems
- Core Features of Implementation
- School Engagement and Success

with
Kimberli Breen

All Multi-Tiered Systems of Support, including academic and behavioral intervention systems, require ongoing monitoring and adjustment.

Wherever you are in the implementation process, these sessions will support planning and coherence.

Target

Audience: Superintendents, principals, MTSS teams, school counselors, teachers on special assignment, LCAP directors. PBIS leadership teams encouraged to attend.

Date: Monday, February 26, 2018

Location: SBCEO Multimedia Training Center

Cost: \$40 (includes lunch and materials)

SESSION 1

9:30 a.m. - 12 p.m.

PLANNING PBIS

(for schools taking their first steps toward planning & implementation)

- Understanding roles, functions, and commitment of establishing PBIS at your school
- Determining current PBIS practices in place and needed prior to launching PBIS implementation
- Assessing PBIS practices in use to guide efforts and action plans

SESSION 2

1 p.m. - 3:30 p.m.

MOVING FORWARD WITH PBIS

(next steps in implementation of PBIS)

- Nourishing PBIS within your school system
- Overcoming challenges
- Ensuring teacher, student, family, & community involvement to guarantee PBIS sustainability
