

KIMBERLI BREEN, MS, CAS, MA is a Regional Facilitator Director with the University of Kansas SWIFT Education Center. She supports school, district, county and regional teams as part of the California Scaling-Up MTSS Statewide initiative.

PBIS

Positive Behavioral Intervention and Supports

- Key Foundational Systems
- Core Features of Implementation
- School Engagement and Success

with
Kimberli Breen

SESSION 1

9:30 a.m. - 12 p.m.

PBIS TIER ONE

- Implementing rules, routines, and physical arrangements to target change for positive behavior

SESSION 2

1 p.m. - 3:30 p.m.

PBIS TIER TWO

- Define targeted interventions to support social and academic success within the PBIS multi-tiered framework: Check in/Check out

All Multi-Tiered Systems of Support, including academic and behavioral intervention systems, require ongoing monitoring and adjustment.

Wherever you are in the implementation process, these sessions will support planning and coherence.

Target Audience:

Superintendents, principals, MTSS teams, school counselors, teachers on special assignment, LCAP directors. PBIS leadership teams encouraged to attend.

Date: Friday, March 16, 2018

Location: SBCEO Multimedia Training Center

Cost: \$40 (includes lunch and materials)
