Limited to 40 participants

Restorative Practices are a continuum of research-based informal and formal strategies as a prevention and intervention approach to discipline. Restorative Practices provide an alternative to suspension and can integrate into a school's multi-tiered system of behavior supports (MTSS). Learn practical strategies to build strong, healthy relationships and discover how to optimize circles for community building, social-emotional development, problem solving and academics.

Day 1: Introduction to Restorative Practices

Learn practical strategies to build strong, healthy relationships. Learn to use affective statements for restorative conversations

Day 2: Using Circles Effectively

Discover how to optimally utilize circles for social-emotional development, problem solving, and academics
