

# WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT

## 2014 - 2015 LCAP OVERVIEW

### THE LCFF AND THE LCAP

#### Local Control Funding Formula (LCFF)

The LCFF is California's new formula for determining the level of state funding provided to school districts, and will bring a significant increase in funding to the West Contra Costa Unified School District over the next eight years.

The new funding is dedicated to improve the learning outcomes for three groups of students: English Learners (EL), low income (LI), and Foster Youth (FY).

#### Types of LCFF Funding:

**BASE** = equal per student funding based on grade spans

**SUPPLEMENTAL** = funding district receives based on number of EL, LI, FY unduplicated students

**CONCENTRATION** = funding district receives due to having more than 55% unduplicated students

#### Local Control Accountability Plan (LCAP)

The LCAP is the district's 3-year plan for how it will use state LCFF funding to serve all students, including English learners, low-income students, and foster youth.

The state-mandated LCAP template includes 3 sections:

- 1) Stakeholder Engagement,
- 2) Goals & Progress Indicators, and
- 3) Actions, Services & Expenditures.

WCCUSD's LCAP addresses the 8 State Priorities through its:

- ➔ 14 Goals

#### 8 State Priorities
